

# STATISTICAL SECTION

# ARAPAHOE COUNTY SCHOOL DISTRICT NUMBER SIX

## Statistical Section

(Unaudited)

This part of the Arapahoe County School District Number Six's (the district) Annual Comprehensive Financial Report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the district's overall financial health.

<u>Contents</u>	<u>Pages</u>
<b>Financial Trends</b> These schedules contain trend information to help the reader understand how the district's financial performance and well-being have changed over time.	88–96
<b>Revenue Capacity</b> These schedules contain information to help the reader assess the district's most significant local revenue source, the property tax.	97–101
<b>Debt Capacity</b> These schedules present information to help the reader assess the affordability of the district's current level of outstanding debt and the district's ability to issue additional debt in the future.	102–106
<b>Demographic and Economic Information</b> These schedules offer demographic and economic indicators to help the reader understand the environment in which the district's financial activities take place.	107–109
<b>Operating Information</b> These schedules contain service and infrastructure data to help the reader understand how the information in the district's financial report relates to the educational services provided and the activities performed.	110–112

**Sources:** Unless otherwise noted, the information in these schedules is derived from the annual comprehensive financial reports for the relevant fiscal year.

Direct Debt:			
Arapahoe County School District Number Six	<u>436,472,040</u>	100 %	<u>436,472,040</u>
Totals	<u>\$ 600,212,040</u>		<u>\$ 532,838,086</u>

Note: Overlapping Debt is the proportionate share of the debts of local jurisdictions located wholly or in part within the boundaries of Littleton Public Schools. The amount of debt applicable to Littleton Public Schools is computed by:

- 1) determining what percentage of the total assessed value of the overlapping jurisdiction lies within the limits of the district, and
- 2) applying this percentage to the total general obligation debt of the overlapping jurisdiction.

Note: In accordance with Colorado Revised Statute (C.R.S.) 22-42-104, two calculation options are available for determining the legal debt limit available to the district. The district is allowed to use whichever calculation is greater.

Option 1: Utilized in all years prior to and including 2018, this option allows 20.0 percent of the latest valuation for assessment of the taxable property in the district, as certified by the county assessor to the board of county commissioners. Using this 20.0 percent calculation, the legal debt margin for fiscal year 2018 was \$200,154,883.

Option 2: Utilized in 2019–2021, this option allows 6.0 percent of the most recent determination of the actual value of the taxable property in the district, as certified by the county assessor to the board of county commissioners.
